August 30, 2022

To : European International School Administration

Subject : New rates and Area half-ride

We are submitting herewith our revised and updated rates for the resumption of the school year. The submitted rates are still in consideration of the IATF guidelines as part of safety protocol and other requirements for our operational readiness.

- 1) IATF guidelines on school van operations - availability of sanitation kits
- 2) GPS Expenses
- 3) RFID expenses
- 4) LTFRB permits (aside from existing franchise)
- 5) Fuel expenses

Please see below rates:

## Two way Rides

Area	New Approved Rates
HV Dela Costa	₱27,121.50
San Miguel	₱27,121.50
Tordesillas	₱27,121.50
San Lorenzo	₱27,121.50
Dasmarias	₱27,121.50
Forbes Park	₱27,121.50
Bel-air	₱27,121.50
BGC	₱27,121.50
Pasig City	₱33,300.00
Renaissance Tower	₱33,300.00
Pasay area	₱35,000.00
Cainta	₱42,000.00
Quezon City	₱40,000.00

### NOTE :

- 1) Rates will apply regardless of number of students. This is in consideration to the parents.
- 2) We will request for rate adjustment as needed particularly if Diesel prices should once again increase
- 3) Special rates will apply, like consideration for special service (just one or two students in an area far from existing ones)
- 4) For one way ride, it is equivalent to **80% of the listed rate.**

**COST includes :**

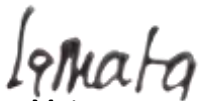

Diesel  
Driver's Salary \*  
Bus Mother's Salary \*  
Vehicle  
maintenance  
LTFRB documentation  
RFID (Toll fee)  
Villages Access (Stickers)

\* includes Recently approved wage increase

Safety of our riders is our priority thus we will comply with the standard IATF guidelines of having plastic cover between the passengers area and the driver / helper. Alcohol / sanitizer dispenser is also available upon entry to the vehicle. We will also provide temperature scanning before entering the school service plus regular vehicle disinfection.

Should you have further clarifications, please do let us know.

Best regards,

Luz Mata  
MJ School Service
