

School nurse

For more than 40 years, the **Lycée Français de Manille (LFM)** has been promoting French academic excellence among expatriate and Filipino children. In collaboration with the German International School of Manila (GESM), the LFM is located on the green and large Eurocampus in Parañaque, offering its students high quality facilities in a multicultural environment – more than 650 students, 120 employees, and 35 nationalities.

The LFM is a member of the AEFÉ network, its teaching programs meet the guidelines and academic requirements of the French Ministry of Education from Kindergarten to Senior High School.

For the new school year, the LFM is looking for a

School Nurse

Missions

- Provide **preventive and curative nursing care** to people when at the Eurocampus. Be at disposal of the students for any health need. Is aware of the medical treatment of the students and make sure they apply it when it has to be taken when in school premises.
- Design and implement **information, prevention and education missions** for students in the areas of addiction, sexual education or any health related subject, working in coordination with the “Vie Scolaire” (Education Conselor) and school psychologist
- In close coordination with the school psychologist and the pedagogical team, **support children with special education needs** on all medical related subjects : liaise with the families and doctors, help in filing information for administrative files
- As needed, **orient children and LFM staff** to local physicians
- As needed, **support LFM management in organizing health event/campaign/training** for the LFM community

- **Actively follows the evolution of sanitary rules** issued by DOH, DEPED and Paranaque LGU and make appropriate recommendations to the LFM management. Be the point of contact for LFM management to answer questions regarding applicable health regulations for the staff and the students.
- **Apply and enforce health regulations and protocols within the School**

This is a full time job. Starting date is expected to be August 27, 2024 at the latest.
